1. Peo - ple all a - round have al - ways asked me, if I am se - cure with cer - tain - ty
 2. Ma - ny peo - ple told me this is fool - ish, o - thers say they sim - ply won't be - lieve
 3. Ev' - ry day my faith and hope grows strong - er, firm - ly they are strength - ened by the Lord

that Sa - muel Joa - quín is an A - pos - tle, and I ans - wer them that it is true -
 for to them this is false in - for - ma - tion but in truth this is the work of God -
 just as gold they will be tried with fi - re might be found in no - ble praise for God -

they keep ask - ing if I tru - ly feel - it or if it is just a coin - ci - dence,
 they do not be - lieve that from the heav - ens, you des - cen - ded with au - tho - ri - ty,
 on the way I walk with the Com - man - der heav - en - ly Am - bas - sa - dor of Christ

and I tell them that my soul's a wit - ness of this bles - sing that God gave to me:
 of the ma - ny bles - sings God has gi - ven, the best gift for ev' - ry heart is this:
 help - ing me en - dure while I'm in bat - tle, shows me how to claim the vic - to - ry.
